2025-110 An Ordinance to amend the Amesbury Code of Ordinances by adding a new Chapter titled "Chapter 230. Buildings, Permitting of" and to adopt a Schedule of Fees.- **Mayor Sponsor**

Summary: The Office of Inspectional Services currently maintains a Schedule of Fees that was last updated in 2011, and it is lower than many neighboring communities. This creates both a revenue shortfall and a potential imbalance in how municipal services are funded. Raising fees (all building/plumbing/gas/electric) to align with comparable communities would ensure that Amesbury can adequately fund inspections, staffing, and administrative services, while maintaining fairness and competitiveness with surrounding communities. Through a comparative analysis of area communities' building and solar permit fees as well as reviewing the November 2021 Comprehensive Review of Municipal Fees by the Edward J. Collins, Jr. Center for Public Management, the Inspectional Services Department has provided the attached recommended Permit Fees.
