

To Whom it may concern,

My name is Maria Idilia Mendonca Garside, I live at 51 Lake Attitash Road, Amesbury. I am submitting a revised plan to install a seasonal temporary removable dock.

The dock will be an aluminium dock with (5) 4'x8' sections in length (40 feet long) with a side 4'x8' "patio section" on the end. The dock is not a floating dock and will be supported by aluminium posts. Access to the dock is via a 10' wide deeded right of way.

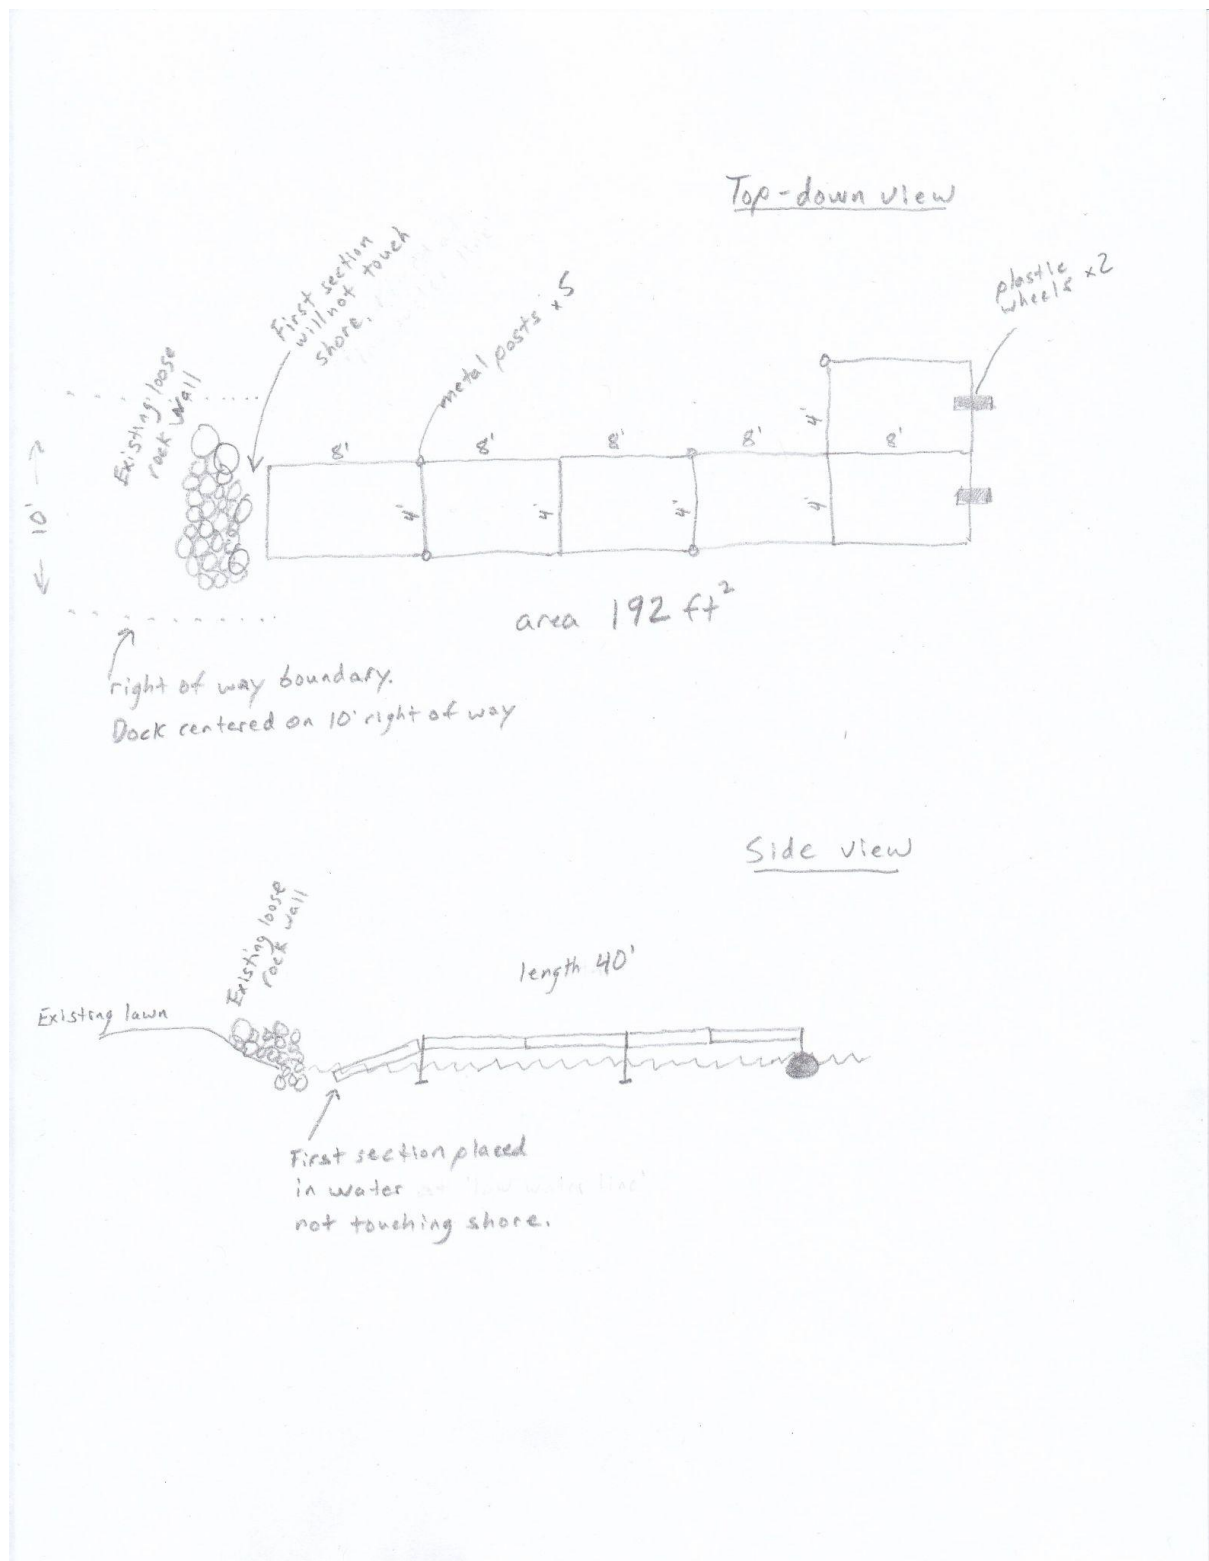

The dock will be installed in the spring, no earlier than April 15, and removed in the fall, no later than October 31. The dock will be stored in my yard at 51 Lake Attitash Road.

Thank you,
