AMESBURY
PUBLIC
WORKS

MEMORANDUM

Date: 8/25/2026

Atten: Municipal Council

Subject: National Grid and Verizon Joint Pole Pet. -
WR #30630057 High St. Pole Relocation
Petition Sketch received 11-15-2024

Amesbury Public Works has reviewed the proposed Pole Installation requested by National Grid and Verizon for High St. in Amesbury on the Petition Plan WR #30630057 dated November 15, 2024 and received by the City on November 15, 2024.

Public Works has no significant concerns with the installation of the pole. Public Works would request that National Grid and Verizon confirm that the proposed installation does not conflict with other utilities within the edge of the City right of way prior to installation.

Public Work's review was completed to address the City's concerns of possible underground utility conflicts. This review was not intended to provide any indication that the property owners abutting the proposed pole location have no concerns with the pole.

Prior to installation or relocation of any utility pole, Dig Safe, the City of Amesbury Department of Public Works, and the City Water and Sewer Departments shall be informed of the proposed activities.

Should additional information be required, please feel free to contact Joseph Buckley, Director, or myself.

Sincerely,

Patrick McDonald
Assistant Director of Public Works.

PETITION FOR JOINT OR IDENTICAL POLE LOCATIONS

North Andover, Massachusetts

To The City Council
Of Amesbury, Massachusetts

Massachusetts Electric Company d/b/a NATIONAL GRID and Verizon New England, Inc requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

High Street - National Grid to install 2 JO poles on High Street beginning at a point approximately 90 feet East of the centerline of the intersection of High Street and Sanborn Terrace. National Grid will install pole 4-50 on South side of High Street between P4 and P5 for new three phase transformer. Install P2-1 on the North side of road at the intersection with Linwood Place for adjusting single phase tap and guying, Amesbury, Ma. (See attached drawing)

Location approximately as shown on plan attached.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – High Street - Amesbury, Massachusetts.

No.# 30630057

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

ORDER FOR JOINT OR IDENTICAL POLE LOCATIONS
To the City Council of - Amesbury, Massachusetts

Notice having been given and public hearing held, as provided by law,
IT IS HEREBY ORDERED: that Massachusetts Electric Company d/b/a NATIONAL GRID and VERIZON NEW ENGLAND INC. (formerly known as NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY) be and they are hereby granted joint or identical locations for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining and protecting fixtures as said Companies may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said Companies dated the 7th day of May, 2026.

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonable straight, and shall be set substantially at the points indicated upon the plan marked – High Street - Amesbury, Massachusetts.

No.# 30630057

Filed with this order:

There may be attached to said poles by Massachusetts Electric Company d/b/a NATIONAL GRID and Verizon New England Inc. such wires, cables, and fixtures as needed in their business and all of said wires and cables shall be placed at a height of not less than twenty (20) feet from the ground.

The following are the public ways or part of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this order:

High Street - National Grid to install 2 JO poles on High Street beginning at a point approximately 90 feet East of the centerline of the intersection of High Street and Sanborn Terrace. National Grid will install pole 4-50 on South side of High Street between P4 and P5 for new three phase transformer. Install P2-1 on the North side of road at the intersection with Linwood Place for adjusting single phase tap and guying, Amesbury, Ma. (See attached drawing)

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

I hereby certify that the foregoing order was adopted at a meeting of the
Of the City/Town of ,Massachusetts held on the day of 20 .
