BILL No. 2026-108

An Order to establish a Solid Waste Enterprise Fund pursuant to M.G.L. c. 44, §53F½.

Summary: This order proposes the creation of the Solid Waste Enterprise Fund in accordance with Department of Revenue requirements and guidance.

As the City anticipates the creation of a new Solid Waste fee for residential trash collection to launch later this calendar year, the creation of this enterprise fund will be a key component of facilitating this new fee schedule and revenue source.

The funds collected in this enterprise account will be used to offset the costs of the City of Amesbury's solid waste and recycling program, including collection, disposal, administration, and other related expenses.

Be it Ordered by the City Council of the City of Amesbury assembled, and by the authority of the same as follows:

That the Solid Waste Enterprise Fund is hereby adopted, created, and established pursuant to the provisions of M.G.L. c. 44, §53F½.
