MEMORANDUM

Date: 8/25/2026

Atten: Municipal Council

Subject: National Grid and Verizon Joint Pole Pet. -
WR #30630081 Cedar St. Pole Relocation
Petition Sketch received 3-6-2024

Amesbury Public Works has reviewed the proposed Pole Installation requested by National Grid and Verizon for Cedar St. in Amesbury on the Petition Plan WR #30630081 dated March 6, 2024 and received by the City on March 6, 2024.

Public Works has no significant concerns with the installation of the pole. Public Works would request that National Grid and Verizon confirm that the proposed installation does not conflict with other utilities within the edge of the City right of way prior to installation.

Public Work's review was completed to address the City's concerns of possible underground utility conflicts. This review was not intended to provide any indication that the property owners abutting the proposed pole location have no concerns with the pole.

Prior to installation or relocation of any utility pole, Dig Safe, the City of Amesbury Department of Public Works, and the City Water and Sewer Departments shall be informed of the proposed activities.

Should additional information be required, please feel free to contact Joseph Buckley, Director, or myself.

Sincerely,

Patrick McDonald
Assistant Director of Public Works.

PETITION FOR POLE AND WIRE LOCATIONS

To the City Council
Of Amesbury, Massachusetts

Massachusetts Electric Company d/b/a NATIONAL GRID requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Cedar Street - National Grid to install 1 SO pole on Glenwood Street beginning at a point approximately 27 feet Southeast of the centerline of the intersection of Poplar Street and Cedar Street. National Grid proposes to install pole# 5 on Cedar Street, Amesbury, MA.

Location approximately as shown on plan attached.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Cedar Street - Amesbury, Massachusetts.

No.# 30630081

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.
