 - Future state to bring her in as Assistant Director for Comms and Community Engagement 1/2 time (afternoons) and Special Ed 1/2 time (mornings)
 - Does not require posting as it is a part time role
 - Does not impact needs within the Special Ed Dept. based on current workload
 - Financially in a good spot through the first 5 months - have to manage to the budget at the end of the day
 - Will have to figure it out as we go along in terms of BlueLion and other staffing changes
- Concerns that students aren't having their services (IEP) met
 - Concerns from part-time staff providing this support, especially in E2 due to their specials schedule - potential increased support required in future
 - Future budget conversation may be needed about our spend allocation on specials
 - Start conversation around reducing staff with focus of paying staff as a whole a higher salary - look at programming and reallocate
- Playground
 - Behind schedule due to cold weather, but still able to install drain and most of the timbers, remainder on site for install
 - Will be complete pending weather
- CPA - Grant due December 12 - in on time
 - Ask for \$450K again

- Working to create a more detailed budget than what was initially submitted for the grant
- Start of phase 2 dependent on additional funding
 - if funds approved, would look at bid package released in March with two weeks for response, two weeks for review, two weeks for kick-off so mid-June start
 - Needs to include a gazebo as we received a \$10K prize to build one
 - Permitted for all of phase 2 currently, so no hold-up from that step
- Updating slideshow to show progress
- **HR - Next Steps and Next Year**
 - High initial bill in of \$15K for first two months
 - Need for more detail to understand what costs cover
 - Survey sent from BlueLion as to how things have been going
 - Issues mainly in availability/ scheduling, conflicting internal communications
 - If billing continues to be high, would lead to better option for hiring of HR person internally
 - Need to train staff as to when to go to HR and when not - make sure that people are going to the right people for the right things
 - At this point if people are reaching out to Dave about HR issues he should be pointing them to BlueLion and nothing more
 - Dave was informed of this directly but still is being asked to be brought in for meetings in this role
 - Future state to clearly inform Dave that he is no longer in the HR role and he should point all HR concerns to BlueLion and then follow up with email, cc'ing BlueLion, for clarity
 - If people need a third party in a meeting in the future, they should call BlueLion directly
- **PBE**
 - Parent emails complaining about having to take part in PBE sessions on Monday due to weather
 - Meeting on Friday with Mary to discuss way forward of program and how it fits into the larger school goals
 - Support to make update to PBE programming to reduce risk, cost, and time in training
- **Joe Runkle Discussion (Owner of AllClad building next door)**
 - Informed that he has sold the company but still owns the building
 - Three year lease in place and opportunity to buy the building at that point
 - Reach out to builder parent to take a look and discuss potential
 - Discuss moving forward and think about getting right of first refusal from him
