RE: **Request for Certificate of Compliance**
OOC-DEP # NE-002-1299
12-14 South Hunt Road
Amesbury, MA 01903

Dear Members of the Commission;

Attached herewith are the following documents;

1. "Site As-Built Plan" for 12 & 14 South Hunt Road, by Kelly Engineering Group, Inc. last revised October 22, 2026
2. WPA Form 8A-Request for Certificate of Compliance

The purpose of this letter is to request a Final Certificate of Compliance (CoC) from the Amesbury Conservation Commission associated with DEP File #002-1299. The site work and improvements on 12 and 14 South Hunt Road has been completed in substantial compliance with the Order of Conditions issued by the City of Amesbury Conservation Commission.

The Commission may recall that a Partial Certificate of Compliance was previously issued for this Order. As outlined in the request for Partial CoC, there were 2 outstanding items to be completed to satisfy the Order. These items were to allow for 2 growing seasons for vegetation and final placement of the monument sign at 14 South Hunt Road. Both of these items have been completed. The monument sign is shown on the as-built plan submitted herewith.

The Applicant and the Conservation Agent have recently walked the site to review the vegetation. Some trees were identified to be replaced and have since been replaced. Otherwise, the site and landscaping were found to be well established.

We look forward to meeting with you at your next scheduled meeting. If you have any questions or desire additional information, please feel free to call the office at 781-843-4333.

Sincerely,

KELLY ENGINEERING GROUP, INC.
