

Statement of Compliance
Drainage Maintenance along I-495 NB, Amesbury, MA
MassDEP File #002-1342

This statement is to certify that drainage maintenance along I-495 Northbound in the City of Amesbury, Massachusetts was conducted in compliance with the Notice of Intent Plans referenced in the Order of Conditions issued by the Amesbury Conservation Commission on December 2, 2024. The project was undertaken with no deviations from the referenced plans or additional alteration of jurisdiction wetland resource areas.
